

# EC-certificate of conformity

1111 – CPD –

In compliance with the Directive 89/106/EEC of the Council of European Communities of 21 December 1988 on the approximation of laws, regulations and administrative provisions of the Member States relating to the construction products (Construction Products Directive – CPD), amended by the Directive 93/68/EEC of the Council of European Communities of 22 July 1993, it has been stated that the construction product

produced by the manufacturer

at the location

is submitted by the manufacturer to a factory production control and to the further testing of samples taken at the factory in accordance with a prescribed test plan and that the notified body *Kontrollrådet* has performed the initial type-testing for the relevant characteristics of the product, the initial inspection of the factory and of the factory production control and performs the continuous surveillance, assessment and approval of the factory production control and an audit-testing of samples taken at the factory, on the market or at the construction site.

This certificate attests that all provisions concerning the attestation of factory production control described in clause 3 of

were applied.

This certificate was first issued on \_\_\_\_\_ and remains valid as long as the conditions laid down in the harmonised technical specification in the reference or the manufacturing conditions in the factory or the FPC itself are not modified significantly, or at the latest
